

Firm News: May 22, 2015

BY TAMIKA CODY

WeiserMazars has launched a new community initiative, The First WeiserMazars Days of Service. These firm wide volunteer days will take place on May 20, 27 and June 3 at various charitable organizations near five firm offices in New York City, Long Island, New Jersey, Pennsylvania and Chicago. All employees are encouraged to commit a full day of service during regular working hours on the day of their choice. The firm is encouraging 100% participation from all employees to stress its cultural mission which extends beyond the billable hour to giving back in the communities where they work and live. The Days of Service were coordinated by an existing group, "We are WeiserMazars," an initiative that seeks to create a positive work environment by promoting personal and professional growth through its three tenants of association, respect and excellence. This initiative allows WeiserMazars' staff to give back to the community by supporting numerous charities as well as improving their understanding of these organizations.
