

Mazars Employees Volunteer at Local Community Organizations Across Six States for Fourth Annual “Days of Service”

New York, NY – July 5, 2018 – Mazars USA LLP, a leading accounting, tax, and consulting firm, recently completed its fourth annual Days of Service – a volunteer initiative that encourages employees to devote a full work day to assisting local service organizations. The Days of Service initiative is part of the firm’s “We **ARE** Mazars” program, which fosters employees’ growth, professional development and giving through the tenets of **A**ssociation, **R**espect and **E**xcellence.

Nearly 575 employees spent the day at more than 30 community and non-profit programs in New York City, Long Island, New Jersey, Maryland, Philadelphia, Sacramento and Chicago. Taking place on May 30, June 8 and June 13, activities ranged from gathering supplies for area students to supporting the local chapter of national non-profit organizations, such as:

- Working with New York City school children in many ways, including participating in a dance exploration workshop with PS 17, going on a scavenger hunt with students from PS 59, making volcanos with students from PS 147, building inventions using cardboard and other materials with PS 20 and celebrating fitness during PS 149’s field day in Riverside Park.
- Helping the Make-a-Wish Foundation of New Jersey by preparing for their annual fundraising gala, and being there to help celebrate a child’s wish come true.
- Participated at several organizations and schools cleaning up, planting and gardening, and helping with restoration projects.
- Partnering with the Ronald McDonald House of Long Island to prepare a meal for the families staying at the House.
- Assisting Cradles to Crayons by inspecting, sorting and packaging donations to be distributed to the children the organization serves.
- Repackaging donated foods and other products for The Greater Chicago Food Depository to be distributed to soup kitchens, shelters and food pantries.
- And many more...

Mazars’ volunteers brought joy to hundreds of people in need and helped the dedicated organizations serving them.

“We are very proud of how the Days of Service has grown over the last four years to become the hallmark in giving back to our communities,” said Victor Wahba, Chairman and Chief Executive Office of Mazars USA LLP. “This program offers a tremendous opportunity to work collectively while helping those outside of our offices, all while supporting charities and organizations in our local communities.”
