

MAZARS USA JOINS CITY HARVEST FOR OPENING OF NEW YORK STOCK EXCHANGE

New York, NY — December 28, 2017 — Mazars USA LLP, a leading accounting, tax, and consulting firm, was invited to join City Harvest in opening today's session of the New York Stock Exchange. Mazars USA has a longstanding relationship with City Harvest, which has helped fight hunger in New York City since 1982, and delivered over 59 million pounds of food to 500 soup kitchens, food pantries and other community food programs across the five boroughs in 2017 alone. Representing Mazars USA was the firm's Director of Human Resources Heather Cohen and Partner Ken Pogrob.

"We are extremely proud to be a major supporter of City Harvest and are honored by their invitation," said Victor Wahba Chairman and CEO of Mazars USA LLP. "City Harvest provides a critical role feeding fellow New Yorkers who are in need. Mazars USA is committed to City Harvest's mission and will be continuing to work with this wonderful organization throughout 2018."

City Harvest is a major recipient of donations made by Mazars USA to help combat hunger in local communities. Fighting hunger is the focus of the firm's 2018 giving efforts across the company. Mazars USA and City Harvest will be teaming up again on January 3rd as part of Mazars' second externship program for college seniors. The externs will be attending a forum detailing the relationship between the two organizations and City Harvest's mission, and then helping pack 500 lunch bags to be delivered to a local shelter.
