

Victor H. Miesel Joins Mazars USA as National Transfer Pricing Practice Leader and Chief Economist

New York, NY –August 8, 2017 – Mazars USA LLP, a leading accounting, tax, advisory and business consulting firm, today announced that Victor H. Miesel has joined the firm as a Partner and National Transfer Pricing Practice Leader and Chief Economist. Victor has more than 25 years of transfer pricing and consulting experience in Big Four and large, regional accounting firms. He has been named in *Euromoney's* Guide to the World's Leading Transfer Pricing Advisers since 2004.

Victor has led global economic consulting practices in New York, Boston and Europe. He has performed and defended transfer pricing studies for some of the largest multinational companies in a wide variety of industries, including financial services, life sciences, technology, automotive, energy, consumer goods, and private equity investments.

Mazars USA Chairman and Chief Executive Officer, Victor Wahba, said “We are so pleased to welcome Victor to the firm. His expertise on transfer pricing matters and a history of providing high quality service to top level clients will help us continue to build on our first-rate capabilities in this area.” Victor further noted, “As our clients continue to expand with participation in more mergers and acquisitions, we believe that his skills and experience will be of great value to them as we look forward to Victor’s leadership in expanding our transfer pricing practice.”

In Victor’s prior role, he was the National Leader for the Global Transfer Pricing Services group and Chief Economist for a regional accounting firm.

“Moving to Mazars USA at this time is extremely exciting,” commented Victor Miesel. “The firm’s recent name change, to a single global brand of Mazars, signals its ongoing commitment to an international outlook and I believe my experience will add significant value for our clients moving forward.”

Victor received undergraduate degrees in economics and political science from the University of Michigan, and master's degrees in applied economics and public policy from the Gerald R. Ford School of Public Policy at the University of Michigan.
